## **EDUCATION AND TRAINING**

2022- present	B.Sc. Engineering in Computer Science and Engineering American International University-Bangladesh 480/1,Kuratoli,Khilkhet,Dhaka-1229,Bangladesh
2018-2020	Higher Secondary School Certificate: Science Shahid Ziaur Rahman Upokolyo College Pekua, Cox's Bazar, Bangladesh
2016-2018	Secondary School Certificate: Science Pekua Government Model GMC Institution Pekua, Cox's Bazar, Bangladesh

#### **EXPERIENCE**

Campus Ambassador

October 2024 - Present

Hackules Inc.

Campus Ambassador January 2024 - Present

GitHub

Student Ambassadors October 2024 – Present

Microsoft

## **SKILLS**

- C++
- Python
- Java
- C#
- MySQL
- Data Structure and Algorithm
- Problem Solving
- web development
- Amazon Web Services (AWS)

#### ACHIEVEMENTS AND AWARDS

- Microsoft Student Ambassador Certificate(Alpha and Beta)
- Meta Coding Competitions (2023)
- AWS Essential Training for Developers

# **PROJECTS**

# • Ninja Game [HTML, CSS,JS]

In this project, I implemented a Wab Game using JS,HTML,CSS. The aim of this project was to use Design Patterns in our implementation. Link: https://ninja-game-sepia.vercel.app/

## Rent Management [Java]

Developed a project on "Rent Management". It was a group project and the language we used was Java

Link: https://github.com/RaihanullslamNahid/Rent-management

## Xs And Os [Swift]

In this project, I implemented a Game using Swift [Apple applications]. The aim of this project was to use Design Patterns in our implementation. Link: <a href="https://github.com/RaihanulIslamNahid/Xs\_And\_Os">https://github.com/RaihanulIslamNahid/Xs\_And\_Os</a>

#### ADDITIONAL INFORMATION

IT Skills: Advanced Word, Excel and PowerPoint Languages: Fluency in English, Fluency in Bangla

INTERESTS	
Travelling, Playing Cricket, Watching Football & Cricket, Gardening.
